

Careers Education at Fernwood - PD

Our aim at Fernwood is to help every pupil to be informed and aware of their different future options as well as help them to recognise and develop their employability skills and career aspirations.

Year 7 - Careers and Aspirations

Careers, teamwork and enterprise skills. Raising Aspirations.

Ethical consumerism, responsibilities of society, the online world.

Year 8 - Active Citizenship and Digital Literacy

Year 9 - Setting Goals

Learning strengths, goal setting and options.

Careers, employability skills, work experience, impact of financial decisions.

Year 10 - Aspirations, my future and financial decision making

Applications, skills for the future, career progression, further education.

Year 11 - Next steps and building for the future
