

Revision Tips

Year 11 Maths

Resources

- Past papers
- CGP Revision Guides (available on parent pay)
- Textbooks (available to borrow from at any lunchtime)
- Fernwood hub resources, in the maths curriculum area
- Online resources (see slides below)

Using past papers

These are the **best** resource you have **BUT** there is only a limited number of them so use them well...

To use them well:

- Spend an appropriate amount of time on each question (roughly 1 mark per minute)
- If you don't know a topic look it up (using your revision guide, reference book or online resources)!
If you are STILL not sure ask for help!
- Mark your work or get your teacher to mark it.

Where to go if...

...you know what topic of topics you need to revise
My Maths, Corbett Maths or Maths genie

...you want to revise basic skills
Maths box skills check

...you don't know what you need to work on
Mixed revision on maths box, 5 a day on Corbett maths, past papers, diagnostic questions

Diagnostic Questions/Eedi

www.diagnosticquestions.com

Log in your own personal log in

What is it good for?

- Identifying misconceptions*
- Mixed quizzes for testing understanding*
- Keeps a record of what you can and can't do*

My Maths

www.mymaths.co.uk

Log in fernwood password compass

What is it good for?

- Practicing skills using online homeworks*
- Looking up how to do things using the online lessons*
- Repeating practice as the questions change the numbers each time*

Maths Genie

www.mathsgenie.co.uk

No log in required

What is it good for?

- Finding exam questions with solutions*
- Knowing what grade a topic is (all listed)*

Maths Genie

Corbett Maths

www.corbettmaths.com

No log in required

Corbettmaths

Videos, worksheets, 5-a-day and much more

What is it good for?

- Exam questions and solutions*
- Worksheet practice questions*
- Mixed problems (5 a day)*
- Videos of how to do things*

Maths Box

www.mathsbox.org.uk

Log in fernwood password box8

What is it good for?

- Practicing basic skills using “Skills Check”*
- Testing a whole topic using assessments*
- Mixed assessments good for finding gaps in your knowledge*
